Sensory Friendly Clothing

Finding clothing that is sensory friendly, particularly school uniform, can be challenging. There are lots of companies that now supply clothes and shoes that are designed to be easy to put on and take off, and have sensory-friendly features like ultra-soft material, flat (or no) seams, and tight elastic fitting for extra sensory input.

We have added some links below to support when purchasing uniform for children who may find clothing a struggle due to sensory needs:

Please note – George ASDA also do 'Easy on Easy Wear' clothing and uniform which has been designed to support independent dressing and sensory needs, keeping children happy and comfortable in their uniform.
