What our families say...

Cole loves Sing & Shake! He has learnt the songs and sings them at home to friends and family

There is so much to do at these groups, we love Messy Play...the supportive staff are brill, if they can't help me they know someone who can

First Friends has been a great help making me realise that everything my baby is doing is normal. Great to get out of the house and talk to other mums and make friends.

Archie loved his massage and I found he slept really well afterwards

The holiday activities and trips are great, we get to go places and do things we wouldn't usually as a family

I have attended with all of my three children. I got help when my family had been through a very difficult time I started volunteering and helping to run Parents Voice
